

TERMS AND CONDITIONS:

Welcome to Kansas Spine & Specialty Hospital's online bill payment system. We are excited to offer our patients this option to enhance their payment options. When making a payment, please have your hospital billing account number and credit/debit card at hand.

Protecting your confidentiality and privacy is very important to us. Our online system uses an SSL Web protocol to encrypt your information throughout the entire payment process. The information you provide during your online payment process will remain confidential under the direction of the federal HIPAA law.

Please be advised that this system is only equipped to process bills for services provided at Kansas Spine & Specialty Hospital. Payments for anesthesia, radiology, pathology and/or physician services will need to be made per the directions on their billing statement.

Any overpayment will be refunded to you in a timely manner, unless you, or a family member, have other insurance or self-pay balances.

If you have any questions, please call our Patient Account Representative's at the number listed below:
